

Changes to APL Travel and Connect 2 Wiltshire bus services in the Chippenham and Calne areas

from 5th January 2015

Following the consultation exercise that we carried out in Spring 2014, Wiltshire Council will be making changes to the Connect 2 Wiltshire bus services that operate in the Calne and Avebury areas. At the same time APL Travel will also be making changes to bus services 33 and X33 that it currently operates as a commercial venture between Chippenham, Calne and Devizes, to improve reliability and make them more cost effective to run.

The new timetables for these services are included in this leaflet and a summary of the changes is as follows:

- The timetable for **bus services 33 and X33** will be completely revised with buses only serving Chippenham approximately every 2 hours during the middle of the day.
- **The Calne Clipper local service around Calne** will continue to be operated by APL Travel but will have a new timetable with buses running more frequently – please see timetable for new service 40 included in this leaflet.
- **Connect 2 Wiltshire Line 4** which currently links Calne, Compton Bassett, Cherhill, Avebury, the Kennet Valley Villages and Marlborough, will be replaced by new fixed route 42 operated by APL Travel and there will no longer be any requirement to book your journey in advance with the call centre or on the internet.
- **Connect 2 Wiltshire Line 5** which currently links Stockley and Heddington with Calne will be replaced by new fixed route 43 operated by APL Travel and there will no longer be any requirement to book your journey in advance with the call centre or on the internet.

Please check the new timetables carefully and if you require further information, please contact APL Travel or Wiltshire Council on one of the numbers below.

Changes to the Connect2 Wiltshire bus services in the Calne and Avebury area

Following the consultation exercise that we carried out in Spring 2014, Wiltshire Council will be making changes to the Connect2 Wiltshire bus services that operate in the Calne and Avebury areas from the 4th January 2015.

The new timetables for these routes are shown on this page and we have tried to ensure that they address as many of the points raised by the consultation as possible, within the resources we have available. We regret, however, that there are one or two journeys that carry very few passengers that we will no longer be able to provide.

We have also decided to remove the requirement for some journeys to be booked in advance as this required the use of an expensive call centre and in some cases acted as a deterrent to passengers wishing to travel at short notice.

We have also decided to give the services new numbers that fit in with other bus services in the area as follows:

- The **Calne Clipper Town Service** will now show the route number 40.
- Buses on **Line 4** from Calne to Avebury and Marlborough will show route number 42.
- Buses on **Line 5** from Calne to Heddington and Stockley will now show route number 43.

Temporary changes to bus stops on London Road in Chippenham

Please note that during most of January, London Road in Chippenham will be closed to traffic during the daytime on weekdays, to enable the road to be resurfaced.

During this time it will not be possible for buses to call at the bus stops on London Road, and so instead they will use a temporary bus stop on Avenue La Fleche, just past the junction with Wood Lane – please look out for notices on the bus stops for further details.

Please accept our apologies for any inconvenience these temporary arrangements may cause.
